2012 CONFERENCE SPONSORSHIP OPPORTUNITIES

The 2012 Rotary 5360 District Conference will be held in Canmore from May 25 to 29, The Organizing Committee and the Town of Canmore are excited to host Rotarians and guests from all of Alberta south from Ponoka, and part of southwest Saskatchewan.

The conference is set to take place at the Radisson Hotel and Conference Centre in Canmore and over 400 Rotarians are expected to participate. District conferences are great venues to experience the undeniable power of Rotary; to meet and network with other clubs and Rotarians who are also looking for opportunities to inspire or create programs; to learn and expand on the vast initiatives already offered through the Rotary experience.

The organizing committee for 2012 wants to invite your business to participate in this exciting Conference by becoming a Sponsor. Your sponsorship will get your business recognized by knowledgeable Rotarians who are leaders and decision makers within their industries and help keep our venue affordable and successful! Attached is a Conference Sponsorship Opportunities Guide. We hope you can find the ability within your business to sponsor the 2012 Conference
